

Pauline Bareno, Sr Vice President

Has over 30 years of property and casualty insurance with a broad underwriting and marketing background; experience includes insurance companies, retail and wholesale brokerage specializing in large workers' compensation insurance programs. In her early insurance career, she was successful in the development and implementation of groups and joint power agreements for public entity business. Her strong underwriting technical background in workers' compensation is most valuable to the retail community. Because of her retail experience, she has a good understanding of the service needs with larger accounts and can effectively communicate and implement customer service requirements. Pauline demonstrates a strong commitment to her retail brokers and is a respected professional in the insurance community.

Pauline is very family oriented and attends St. Mary's College alumni events in Moraga, California where her granddaughter attended college. She enjoys reading non-fiction books in particular autobiographies and enjoys cooking events with her family.
